To Whom It May Concern:

This letter is written to address audit inquiries pertaining to the California Department of Public Health's (CDPH) capacity to receive immunization data.

Prior to July 1, 2012, the 7 regional immunization registries operated by CDPH (CAIR NorCal, CAIR Bay Area, CAIR Greater Sacramento, CAIR Central Coast, CAIR Central Valley, CAIR LA-Orange, and CAIR Inland Empire) were not capable of receiving meaningful use compliant immunization messages, either from eligible hospitals or eligible professionals. Please refer to the web page <http://cairweb.org/cair-regions/> to determine which counties and cities are in each regional immunization registry.

Sincerely,

Scott Fujimoto, MD, MPH
