

**TO:** EZIZ Users  
**FROM:** CDPH  
**SUBJECT:** CAIR2 Training Registration Opens August 1!  
**DATE:** 7/22/16

---

To help you prepare for transitioning to CAIR2, [training](#) will be required for ['Power' and 'Regular' CAIR Users](#) before your region's launch date. The training will orient you to the new software so that you are ready to begin using it when your region switches over. You will receive an email with registration information by August 1. Only users who have actively used CAIR within the last 6 months will be able to register for training before the switchover to CAIR2. Later dates will be available for all other users to take the training. Check the [CAIR2 webpage](#) for more information. Training is not required for [Read-only users](#). However, instructional videos and a written guide will be available for viewing before the launch.
